GENERAL CRITERIA

Every person nominated for a Blue shall over the last 12 months (Sept - Sept):

- i) Play or represent a New Zealand team
- ii) Play or represent a New Zealand age-group team
- iii) Play or represent a Canterbury or Canterbury-franchised team
- iv) Play or represent a New Zealand Universities team
- v) Achieve other exceptional Status (including New Zealand and regional development squads, top 10 placing in New Zealand open events or top 3 in age-group events, international representation for countries other than New Zealand).

Final selection of nominees shall be decided by the current Blues Panel. Blues are awarded on the above criteria, dependant on the profile of the sport nominated for. E.g. Rugby is a widely played sport and therefore it is harder to make National representative sides. Boxing is a much smaller sport in New Zealand, so it would be easier to be a regional rep, and Blues would go then to Boxers who are New Zealand representatives.
