

Sahil Duble

Candidate for LUSA Secretary 2027

Kia ora, I'm Sahil Duble, a Master of Precision Agriculture student at Lincoln University and a current course representative.

I am also standing for the position of LUSA Secretary for 2027 because I believe strong student leadership depends not only on good ideas, but also on good organisation, clear communication, and proper follow-up.

Through my experience as a course representative, I have seen how important it is to keep information clear, make sure concerns are recorded properly, and follow up on actions so that students know what is happening. I would bring that same approach to the Secretary role.

If elected, I would focus on keeping meetings, records, communication, and follow-up organised and reliable. I would work closely with the President, Vice-President, Executive members, course representatives, clubs, and students to help ensure that important information is shared clearly and that agreed actions are not forgotten.

I also want students to feel that LUSA is easy to understand and easy to approach. Clear updates, well-organised communication, and better follow-up can make a big difference to how connected students feel to the Association.

I am a practical, responsible, and team-focused person, and I would take the Secretary role seriously. I would aim to support the Executive so that meetings run smoothly, information is recorded accurately, and students can see that their concerns and ideas are being taken forward.

If elected, I would work to be a reliable, organised, and approachable Secretary for the Lincoln student community.
